

# Lab Reference Architectures and Patterns

## 2008/10/13

### Getting Acquainted

Prof. Dr. Bernhard Humm, Ph.D.

Version: 1.0  
Date: 2008/10/13

# 1 NetBeans IDE and JEE5

At home: install the lab infrastructure according to the installation manual.

Getting acquainted with the NetBeans IDE and JEE 5:

1. Start NetBeans IDE
2. Perform the NetBeans tutorial "NetBeans IDE Java Quick Start Tutorial" from <http://www.netbeans.org/kb/60/java/quickstart.html>
3. Perform the NetBeans tutorial "Introduction to Java EE 5 Technology" from <http://www.netbeans.org/kb/60/javaee/javaee-intro.html>
4. Perform the NetBeans tutorial "Getting Started with Java EE Applications" from <http://www.netbeans.org/kb/60/javaee/ejb30.html>

More NetBeans tutorials can be found on <http://www.netbeans.org/kb/index.html>
